22/01582	04/07/2022	Full	Pair of semi-detached dwellings with allocated residence parking, shed/bike store, bin storage, enlargement of existing vehicular access, boundary treatment and amenity space.	Land At Wayside Holyport Road Maidenhead	BPC Recommended for approval			15/05/2025
24/00082	05/02/2024	Outline	Outline application for access, layout and scale only to be considered at this stage with all other matters to be reserved for the erection of 1no dwelling and 10 commercial units comprising part single storey and part two storey class E commercial units for light industrial or business use together with associated parking and alteration to an existing vehicle access.	Tectonic Place Holyport Road Maidenhead SL6 2YE	BPC Recommends Refusal, citing the proposed density of buildings as too great and the new 2-storey buildings dominating the boundary and overlooking neighbouring dwellings. Cllrs consider the site to be more suitable for housing than continued commercial use due to its location in a residential area. There also appears to be insufficient parking in the plans for the increased proposed Commercial use. The proposed opening of an access route into Hendons Way would bring safety concerns for children playing in what is currently a quiet cul-de-sac. There are further safety concerns around the proposed play onto the busy Holyport Road being narrowed due to the erection of the 4-bedroom house at the entrance, as more intense traffic movement would be generated when all proposed commercial units are populated. BPC also have concerns about the applicant having not responded to points made by the local flood authority and must insist that these concerns are addressed.			15/05/2025
24/01828	02/09/2024	Full	1no. four bedroom detached dwelling with cycle and refuse storage (Plot 2).	Land Adjacent Pond View Sturt Green Holyport Maidenhead	BPC Recommend Refusal, it represents overdevelopment on the Green Belt. No details of materials given. It goes against QP5 limited infilling and NR1 managing flood risk. It also does not meet the Planning Passport associated with the site.			15/05/2025
24/01879	02/09/2024	Variation Under Reg 73	Variation (under Section 73) of planning permission 22/02789/OUT (allowed on appeal) without complying with Condition 8 (Biodiversity Net Gain) and the variation of Condition 5 (CEMP Biodiversity); Condition 6 (Materials) and Condition 9 (External Lighting) for an outline application for access only to be considered at this stage for x4 serviced plots for Self-Build and Custom Housebuilding.	Land Adjacent Pond View Sturt Green Holyport Maidenhead	BPC Recommend Refusal, the Conditions should stand with no variation			15/05/2025
24/02786	02/12/2024	Full	Full planning application for 225 dwellings together with access, landscaping, open space, parking and associated infrastructure	Land South of Kimbers Lane Maidenhead	BPC Recommend Refusal: QP3 poor design, stark and unappealing blocks of flats; no highways report included for Harvest Hill, Kimbers Lane and Braywick roundabout; insufficient resident/visitor parking; no EIA report; latest BPC Air Quality Report has Harvest Hill already at 34.9 against UK limit of 40 µg/m³. There are concerns about air quality for the whole area.			15/05/2025
24/02786	03/02/2025	Full	Full planning application for 225 dwellings together with access, landscaping, open space, parking and associated infrastructure	Land South of Kimbers Lane Maidenhead	BPC Recommend Refusal: QP3 poor design, stark and unappealing blocks of flats; no highways report included for Harvest Hill, Kimbers Lane and Braywick roundabout; insufficient resident/visitor parking; no EIA report; latest BPC Air Quality Report has Harvest Hill already at 34.9 against UK limit of 40 µg/m³. There are concerns about air quality for the whole area. Cllrs felt Harvest Hill needs widening to meet the needs of all the new vehicle movements and there was no provision for doctors, schools and other relevant infrastructure to support all the new homes in the area.			15/05/2025
24/02786	07/04/2025	Full	Full planning application for 225 dwellings together with access, landscaping, open space, parking and associated infrastructure	Land South of Kimbers Lane Maidenhead	BPC Recommended Refusal: QP3 poor design, stark and unappealing blocks of flats; no highways report included for Harvest Hill, Kimbers Lane and Braywick roundabout; insufficient resident/visitor parking; no EIA report; latest BPC Air Quality Report has Harvest Hill already at 34.9 against UK limit of 40 µg/m³. 24/02996	06/01/25	Full	Repositioning and widening of the existing farm access (part retrospective).	Long Lane Farm Ascot Road Holyport Maidenhead	BPC Recommended Refusal: The proposed vehicular access fails to demonstrate the safe manoeuvrability of large vehicles exiting and entering the site and that the required visibility splays can be achieved with appropriate surfacing, to ensure the safety and suitability of the access for all users. Furthermore, in the absence of a pedestrian footway or clear verge and failure to provide appropriate visibility in both directions, the proposed development would encourage users to encroach onto the carriageway to obtain some visibility in both directions, causing potential danger to users of the access and to other highway users along an A-classified, rural, unlit primary distributor road. As such, the proposal which would likely serve an intensification on site would all result in an unacceptable impact on highway and pedestrian safety and would be detrimental to the free flow of traffic contrary to the Borough Local Plan policies IF2 & QP3 which is supported by the Local Transport Plan and NPPF (Dec 23) Section 9 Promoting Sustainable Transport at paragraphs 108, 113, 114, 115, 116, 117. 2 No details have been submitted to demonstrate that the development could provide biodiversity enhancements and a biodiversity net gain contrary to the requirements of Policy NR2. Therefore the proposal conflicts with adopted Borough Local Plan Policy NR2			
25/00206	03/03/2025	Full	Erection of a machinery storage barn and yard area.	Les Lions Farm Ascot Road Holyport Maidenhead SL6 2JB	BPC Recommended Refusal on the grounds of: No special circumstances in the green belt. Propensity for nearby pond to flood. Visual impact of such a large building on the surrounding green belt. There has already been extensive development on the property.	Permitted	08/05/2025	15/05/2025

Land Adjacent Pond View Sturt Green Holyport Maidenhead	BPC Recommended Approval: With a request that Permitted Development rights are removed due to extensive nature of property being built relative to the size of the plot.	Permitted	23/05/2025	27/05/2025
25/00358	03/03/2025	Reserved Matters	Reserved Matters (access, appearance, landscaping, layout, scale) pursuant to outline planning permission 22/02789/OUT (allowed on appeal) for 4x serviced plots for self build and custom housing(g. Plot 2).	Land Adjacent Pond View Sturt Green Holyport Maidenhead	BPC Recommended Refusal on the grounds of: It was felt by the Planning Committee that the advertising was too large, out of keeping with the general character and visual amenity space of the area, could be distracting to drivers, and a potential hazard that could set a precedent for that area where there are multiple development being built. We believe this is covered by The Town and Country Planning (Control of Advertisements) (England) Regulations 2007 Part 1, Regulation 3. (2) Without prejudice to the generality of paragraph (1)(b)—(a) factors relevant to amenity include the general characteristics of the locality, including the presence of any feature of historic, architectural, cultural or similar interest; (b) factors relevant to public safety include— (i) the safety of persons using any highway	Permitted	30/05/2025	05/06/2025
25/00400	07/04/2025	PIP	1no. detached dwelling	Land Adjacent to Seymour House Ascot Road Holyport Maidenhead	BPC Recommended Refusal: This decision was deferred to Cllr Kneen and Cllr Wilson because RBWM needed a rapid recommendationn. RBWM decision mirrored our response. The proposed development constitutes inappropriate development in the Green Belt, and would harm to the openness of the Green Belt. The harm to the Green Belt is afforded substantial weight. No very special circumstances exist which clearly outweigh the harm to the Green Belt and other harm (sustainability and biodiversity) resulting from the proposed development. The proposal therefore fails to comply with Policy QP5 of the Borough Local Plan, and Section 13 of the National Planning Policy Framework.
